

Legacy Brick Program

The CCDS Legacy Brick Program is a fundraising opportunity that allows families, friends, and business partners to make a meaningful donation to the CCDS Community Garden and honor those who have contributed much to Coastal Center for Developmental Services.

Legacy Bricks are a great way to remember people, events, or businesses for their valued contributions to the history and future of CCDS.

These lasting tributes can honor someone who has received services from CCDS, recognize a friend or family member, or acknowledge a business relationship.

We want the walkways of our Community Garden to reflect the foundations of support that CCDS has experienced throughout its decades of providing services to adults with developmental disabilities in coastal Georgia.

Whose legacy would you like to honor?

For more information about the CCDS Legacy Brick Program or other fundraising or volunteer opportunities, please contact Michele Wagner at mwagner@ccds-sav.org or (912) 644-7475.
