CCDS COMMUNITY GARDEN

HELP PLANT THE SEED.

Our first step in our new EMPOWERMENT initiative is to design and plant a green space that will include an organic vegetable & herb garden, citrus trees, walking paths and an area for our staff and clients to gather. Not only beautiful, this garden will enable our clients to learn how to plant, grow and care for the garden as well as reap the benefits of new skills, being outdoors and preparing and cooking with healthy food.

BE A PART OF EMPOWERMENT.

Our ME*POWER initiative will fuel projects and events based on the philosophy that the value of a person should not be determined by status, salary or stereotype, but by their passion, purpose and dedication to making a contribution. When people are empowered to realize their potential, we all grow stronger as a community.

**LIGHT REFRESHMENTS WILL BE PROVIDED.
ME*POWER T-SHIRTS WILL BE AVAILABLE FOR SALE.**
