**CCDS Expands its Executive Team with New Hire**

**Savannah, GA – March 8, 2011** – Coastal Center for Developmental Services, Inc. (CCDS), is pleased to announce the hiring of Bobby Schorr in the role of Business Development Manager. The new position is designed to increase exposure and work opportunities for the four small businesses of Quantum, Inc., the CCDS subsidiary.

“Bobby comes to CCDS with experience and solid connections in the Savannah community,” explained Kathy Thomson, CCDS Executive Director. “We appreciate his enthusiasm and his desire to see the work programs grow through the development of new business partners for Quantum.”

Born in Macon, Schorr attended Georgia Southern University and earned a degree in Business Management with an emphasis in Small Business. Following graduation, he moved to St. Simon’s Island for a job with Neff Rental, where he worked in construction equipment rental and sales. More recently, Schorr worked at the Savannah Area Chamber of Commerce in the Member Services Department and was involved in the Chamber’s Ambassador Council, as well.

Schorr is undaunted with the challenge of bringing Quantum’s services to the forefront of the community’s mind. Quantum’s Catering, Printing, Packaging and Assembly departments currently meet the needs of many local, regional and international customers, but Schorr hopes to build upon that base by opening many more doors.

“We are local,” Schorr stated, “with a 30-year history and a 300-person workforce, we are in a unique position to serve our community’s businesses in great ways.”
